Fall 2026

As the leaves turn and pumpkins brighten our doorsteps, we wish you a cozy and colourful season filled with gratitude, good food, and good company.

Have fun celebrating Halloween — and remember to stay safe while trick-or-treating!

We are also delighted to share some great news! Thanks to **Corina, our Office and Maintenance Coordinator,** and **Aleem Peermohamed**, a new member of our Maintenance Committee, who are working together to complete unit inspections,
our co-op was able to secure a very nice discount on our co-op insurance!

Well done, Corina and Aleem, and thank you for your great teamwork and contribution to our co-op!

Like taking pictures? Send a photo of our co-op from your perspective, and it might make it to the first page of our next newsletter!

You've all received this great magnet to put on your fridge as a handy reminder. Be sure to check out the letter attached as well!

Going Above and Beyond!

A huge shout-out to **Corina, our Office and Maintenance Coordinator**, for showing us what the true spirit of cooperation looks like! After a member's unit underwent extensive renovations to better meet their needs, Corina went above and beyond her regular responsibilities, even bringing her daughter along to volunteer with her in cleaning up the member's backyard.

Thank you, Corina, for leading by example and reminding us what cooperation, kindness, and community spirit look like in action!

A heartfelt thank-you to **Giuseppe Imbesi** for orchestrating the creation and completion of the retaining wall in block E and the garden renewal.
